UTHOR OF THE GREAT BOOK JUST BE-A ING PUBLISHED, SPEAKS of HAMPTON'S GREAT CURE OF BUSUMATISM CONTRACTED

UNDER TROPICAL CLIMATES. BALTIMORS, Md June 4, 1854. Mr. Slockbridge, of the Pountain Hotel, Light street, Baltimore-

Dear Sir : Being on the point of leaving the city, I avail myself of a tew idle moments to thank you kindly for the medicine you sent me, and shich has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's table Tincture my confidence is so strong that, in gratitude o the proprietors of said modicio you to pres ut my respects to them, and induce them to make it more publicly known as a sure Rheumatic cure. Having called on me on the 19th of April last, and seen me prestrated on my bed, usaless in all my li abs, you can appreciate nearly as well as myself the ecompt relief I received from Dr. Hampton's Tineture, and I am positive hat It not been for your strong and toroible returnings.

It is really a pity this specific should not be ap proved by medical men, and like all patent drugs h should suffer the imputation the public generally give to such preparations. I myrelf, who was all ways opposed to a patented specific, took this medicine with reluctonie, and without confidence in 14, and it was only through your disinterested, friendly recommendations, and my critical situation that in-duced me to try this really beneficial Vegetable

tions I should still have been in !

You may inform Mesers. Mortimer & Mostray that they are at liberty to make use of my name in the support of the scod effects of Dr. Hampton's Vegetable Tineture, as it has cured me in five weeks of a chronic inflammatory Rheumatism, contracted under tropical climates, and of seven years' percedicut duration. I have only used three bottles, and find that even the deformed parts of my hands are fast returning to their former natural appearance.

I have been under the treatment of several physicians in London and Paris, without any apparent benefit; also, while in New York, having tried the Thompsonian and Homospathic remedies, after having been tormented with galvanic batteries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so far, cured by this Hampton's Vego able Tineture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CANCE.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, Va., Aug. 18, 1861. Mr. J. E. Boush-Dear sir: While I am, in general, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my femily; and in dyspepsis, loss of appetite, dizziness, and general de-bility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I ais, respectfully, yours, VERMON ESERIBOR. Chaplain, United States Navy.

There were very few passengers on the cars for Augusta, and I procured seats, for those under my charge, in the rear car, occupying the hindmost seat to the left myself. My daughter was in front of me, and Miss Horsey, of Charleston, who was under my protection, in front of her, the seats of the young ladies being so arranged that they faced each other. Be tween their seats was the lamp. On my right, in the last seat, my servant girl was seated, and in front of her my son, thus bringing all my charge as near to-

The only answer which has ever been given is that the Legislature may abolish the trial by jury in all new offences created since the adoption of the constitution! That is, the constitution is so lame, defective and impotent in protecting the liberties of the people, that while the murderer and felon are safe from punishment until a jury condemns them, the man who sells a glass of brandy, or a plug of tobacco, or a cigar on Sunday, may be hung on the nearest tree or post, like a dog, by the order of a justice of the peace, without a trial by jury, and without appeal from
